## AN ACTION PLATFORMER WITH THE SPIRIT OF A MID-TO-LATE '80S ARCADE

A young witch was crying for her fallen love when an ancient demon heard her sorrow. Seduced by the promises of the beast, she turned her tears into a magic key. And so, with that key, demons were released all over the kingdom of Castilla. Concerned about the situation, the King Alfonso VI of León has gathered his most loyal knights. Play as the valiant Don Ramiro in his quest through the cursed lands of Tolomera and put an end to the nightmare.
